Challenges

How can the user view challenges in a list view?

How would filters, searches and ordering work in a list view?

How does the user see challenges details?

How does the user 'start' a challenge? How do they get help/a hint? How do they complete the challenge?

What does a 'completed' challenge look like? How do users see their progress?

Initial List View → Filters → View Details → Start Challenge → Start Challenge

- In groups of 2, create a journey in 7 minutes.
- Each group presents back - 2 mins max each.
